milk seeping out of her nipples?

Speaking of lactation, Logan Moss is a wet dream come true. I can't imagine any V-man being turned off by her, despite being pregnant. If she isn't proof that tits look their ball-draining best when estrogenized and full of milk, then you must be gay.

I feel just as passionate about Devyn Devine, too. I love chicks with fat hangers and big, distinct areolae. I hope other readers agree.

I know it will be practically impossible to do, but if you even come close to matching this issue (Feb. '06) in the future, that will be something. Again, thank you.—M.K., Texas

Dear M.K.: Thanks for your letter, and no, your eyes weren't deceiving you. Paige

was lactating in some of her pictures. We were wondering how many guys would notice. As for Devyn Devine, turn to the Xtra section for her hardcore debut and head to the Video Club on page 98 to get her XXX video Busty Cock Worshippers.

#### THE FAIREST OF THEM ALL?

Dear Voluptuous,

When I buy a big-boob magazine, I expect that it will feature one or two, maybe three, really hot models and that the others will be average at best. I was pleasantly surprised by the Feb. '06 *Voluptuous*, in which every girl from cover to cover gave me an immediate and very hard erection.

I guess, if I have to pick some favorites, I'll fall back on my preference for (a) girls on the plump side and (b)

It's hard to argue with *Voluptuous* reader M.T. from Pennsylvania when he says Kerry Marie's beautiful face rivals that of any super-model or movie star, though one thing is for certain—you won't see tits like Kerry's on the cover of *People* magazine!

older women and pick Devyn Devine and Paige Plenty in the first category and Rose Bennett in the second. All three give me intense pleasure every time I jack off over them. Special compliments to Devyn for her choice of a hot pink dress and matching bra and panties to start out in and to Rose for her very sexy black bra. And I must say that Paige's decision to start out totally nude except for her sneakers was just right for her kind of allure.

Special thanks and compliments to the lovely Kerry Marie for her wonderful new DVD, *Busty Kerry Marie* #2. I have watched many DVDs which contain several solo segments of the same girl, and I must admit that some of them become boring after maybe three or four scenes. Kerry Marie is the delightful exception. Every scene on the DVD is thrilling, and Kerry knows just what to do with her twin beauties to keep me jacking.

When I managed (I originally typed "mamage" and then realized my Freudian slip) to take my eyes off of Kerry Marie's boobs, I realized that she has the most beautiful face of any bigboob model around. I tried an experi-

ment. I compared Kerry Marie's hair, eyes, nose, smile and general complexion to those of the cover models on several of the fashion, glamour and movie star magazines on the rack at a local store, and Kerry won the beauty contest in every category. The clerk wondered why I was looking at all of those magazines without buying anything, and I told her. She replied that her boyfriend likes Kerry Marie and is a *Voluptuous* reader as well. Talk about a small, but wonderful world.—M.T., Pennsylvania

#### **SENSUAL TREMORS!**

Dear Voluptuous,

As a long-time *Voluptuous* subscriber, I look forward to every issue. When the Feb. '06 *Voluptuous* arrived, I gazed at the cover and thought, "Hmmm, this looks like a pretty good issue." Then I opened the magazine and...bingo! My heart began to pound its way out of my chest, adrenaline started coursing rapidly through my veins and I began to feel stirrings of epic proportions from inside my pants. Sensual tremors of this magnitude could only mean one thing for me (and other guys)—Maria Moore.

Her pictorial started on page 23 and eagerly I raced through the intervening pages, gripped with anticipation, until finally, there she was in all of her glory. And, boy, what glory!

I was so excited, I could hardly get my fly open quickly enough. Hurriedly, I fumbled with the zipper, until at last I managed to pull my rapidly stiffening cock free of its confines. It was already weeping excitedly with anticipation. But, fortunately, I was soon able to put an end to its frustrations as I commenced stroking and pumping my way through each page of Maria's rousing pictorial, savoring every inch of her beautiful body and devouring each picture greedily before reaching a truly monumental climax.

It had seemed like ages since Maria's last pictorial, and I was beginning to fear that she had retired. But, thanks to you my fears have now been allayed. So, thank you once again, *Voluptuous*. What could any guy want more than Maria Moore wrapped between the likes of Logan Moss, Cassandra, Africa and Veronica?—C.J., England

## OF THE TITLES!

Six Voluptuous Models of the Year. Sixteen big-boob superstars. Only one champion! The Big Breast Challenge II has begun!

Bozena vs. Nadine Jansen

Bozena

All righty, boys and girls, it's time to start a new tradition, based on an old one. This is The Clash of the Tit-ans, aka The Big Breast Challenge II. Sixteen superstars, matched up two at a time, until, well, look at that chart down yonder and prepare yourself for some epic battles. The Thrilla in Manila. Rocky vs. Apollo. Bill vs. Hillary. Tyson vs. an ear lobe. Hell, those have nothing on us. So, without further babbling, it's time for our main event of the month. From the world famous pages of Voluptuous, for the thousands in attendance and the millions who wish they were...Let's get ready to rumble! In the white corner, with boobs that are bigger than most of our heads, she's a Czech we'd all love to mate with...Bozena. And, in the gold corner, the 2002 Voluptuous Newcomer of the Year and the pride of Germany. She has some of the most perfect tits ever to grace our pages. Drop your socks and grab your cocks, 'cause here cums...Nadine Jansen.

**Sharday** 

## Some Great Ones Are Going Down!

Looking at the numbers, this sucker is pretty even.
Looking at the pictures, fuck, we're glad you all are
doing the voting. Personally, we love both Nadine and
Bozena. Their tits are huge, their personalities sweet and,
well, their tits are really huge. One thing we do hope is
that this contest doesn't become a popularity contest.

We encourage all of you to look at the pictures and tell us who has the best tits! Sure, we've tossed in some puss and body shots, but that's just for a bit of variety. This contest is about big, beautiful boobs. All of the gals have got them or else they wouldn't even be here. What we want to know is, who's the best of the best?

### BARE FACTS BOZENA

Man, we were going to say something about voting, but jeezus, lookit Bozena's dugs. Holy moly. To be quite honest, Nadine is such a fan-favorite, based on name recognition alone, you'd think she'd smoke just about any woman. However, based on what we're strokin' to, we don't know. How many people remember Chloe Vevrier (another German and the original Wunder-babe) getting dusted by Cassandra in the original Big Breast Challenge? Nothing is for-sure in these contests, especially with the new voting restriction. No e-mails. Yeah, we know the price of a stamp went up two cents early this year, and it kinda sucks for non-U.S. mail, but is it fair that websites have guys vote for one gal over another without even seeing these pictures? Like we said, this isn't a popularity contest. So mail or courier us your votes. You have until June 11, 2006 to decide...Bozena or Nadine.

#### "WHOA! YOWZA...HOLY **SWEET F\*\*\*IN' JEEZUS!"**

Dear Voluptuous,

I'm writing you a quick line because I'm compelled to comment on Sapphire's new heavyweight look. It is jawdroppingly amazing! I was casually leafing through the March '06 issue thoroughly enjoying Ivy, Samantha Sanders and Desire Monet's pictorials when I came (in more ways than one!) across Sapphire's XXX set. All I can manage to say without losing my mind is: Whoa! Yowza and holy sweet f\*\*\*in' Jeezus! What a masterpiece!

Puh-leez, puh-leez, pretty puh-leez release a hardcore DVD with her fabulous new look. If you have the complete hardcore footage that was shown in the March '06 issue, count me in as one of the first to line up to buy multiple copies of the disc. Make it happen, Voluptuous, and you'll have a committed fan for life.-P.R., Canada

Dear P.R.: Get your lifetime membership ready, 'cause Sapphire's newest hardcore video is called Busty Cock Worshippers, and it's in the Video Club on page 98.

#### **CELEBS HAVE NOTHING ON** THE VOLUPTUOUS-GIRLS!

Dear Voluptuous,

I wanted to point out some celebrity resemblances among some of your models. Bozena and Daphne Zuniga of Melrose Place, for instance. Ana Jota looks like Sarah Michelle Geller and stunning Claire (Holiday '05) resembles Alicia Silverstone. More Claire please!

I've also noticed that the girls in your videos actually have feet and nice ones, too. Please take the shoes off the girls in your magazine.-J.S., Colorado

A brand new Devin Taylor pictorial since her last appearance in Nov. '04 *Voluptuous*? Why, who do we have to thank for this bountiful event? Who else? Thank Devin! After well over a year, her return helps to prove that absence does make the heart grow fonder. And Devin hasn't posed for any other big-boob magazines in the interim. Now that's fidelity!

"My first time here, I didn't do anything to change my weight. But for this photo shoot I lost about 10 to 15 pounds before I came because I wanted my waist to show more," said Devin flashing her girl-next-door smile. "I don't smoke and I don't drink–sorry, guys! And I don't eat fast food. I think I'm very lucky to have big breasts, big hips, a big ass and a small waist. That's the body type that I personally like. So I wanted my waist to be more defined in these pictures." Feast your eyes, lads.

Hot Chicks Get Off With Big Sticks!

Video Review By CURLY REDWOOD

Are you all ready for an awesome big-tit, lusciously-plump *Voluptuous* video? *Titters in Toyland* is just that–a *Voluptuous* Who's-Who of busty babes getting off for your jacking pleasure.

Although you have probably heard this phrase before, this truly is an allstar line-up of tit-talent. Romina Lopez makes her video debut, and if you're like old Curly, that's all you need to hear. You could have Romina's scene and a bunch of boring ass stuff from the Home Shopping Network on the rest of the DVD and Titters In Toyland would still be an awesome Voluptuous classic. However, when you include Samantha Kay (pictorial on page 43), Bozena, Deja, Sunshine, Maria Moore and, oh yeah, 2005 Plumper of the Year, Scarlett, this video is something special.

#### **ROMINA LOPEZ**

Romina–or R.Lo, as yours truly likes to call her–doesn't say a word. She just sits down in her deck chair, grabs a bottle of baby oil and proceeds to lubricate her chassis.

For someone who appears so humble, Romina has an idea of what kind of power she possesses. She asks the fatal question—"Do you like my breasts?"—and tells us she knows we want her because we keep looking at her rack.

We get all of this in subtitles, a rarity for porn. But, hey, *Voluptuous* read-

ers are cultured guys, especially when we're experiencing somebody like Romina's...ahem...culture. She continues to speak to us in Spanish as she grabs a small vibrator and plunges it into her pussy. Her first orgasm happens quickly with her legs spread wide on the chair.

After asking us several times if we are jacking and if we've cum yet, Romina changes positions and winds up bent over the chair. Later, she uses the chair for balance as she stuffs the plastic cock so far up her pussy you're afraid she'll lose the damn thing. You gotta love a gal like Romina who obviously wants us to cum.

She continues her pursuit of our load by working the vibrator around between her boobs. Then it's back to the chair to sit back and relax and show off one of two truly hairy beavers in this video. Clearly Romina is into pleasuring herself. That's as good a gift as you'll ever receive.

#### **SCARLETT**

Scarlett is a secretary who works for Peters and Johnson, an amusing play on names, unless we're talking about Mike Peters, the lead singer of the '80s rock band The Alarm.

Anyway, Mr. Peters calls in to tell Scarlett that he's going to lunch and will be gone for two hours. Yeah, it's good to be the boss. They take two-hour lunches and stay late only when they're banging their secretary.

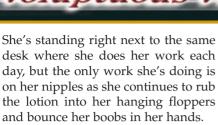

Speaking of which, Scarlett decides that if Mr. Peters isn't coming back for two hours, now would be a fantastic time to get naked. Apparently, it's very hot in the office.

Scarlett unbuttons her sheer, white blouse and considers what it would be like to strip her clothes off in the office. She cups her gigantic jugs through her lacy bra and starts having a conversation with herself, mocking her absent boss for the way he stares at her tits. All your man Curly can say

After that, a very large dildo appears and Scarlett proceeds to tongue and suck it while she cups her cans. She takes it in her hand and rams it in and out of her cleavage, enjoying each stroke as it makes her jugs jiggle.

The camera pans down to Scarlett's hot hole. Finally, Scarlett lowers the enormous toy and slides the head into her sticky box. Soon, she's sliding more than half of it in and out of her moistness. After several high-pitched screams, Scarlett leans back in her chair and experiences a full-blown orgasm as her body tenses up and she surrenders to the pleasure.

All of a sudden, the Voluptuous Plumper of the Year award seems inadequate for this sex-pot.

#### **BOZENA**

Bozena looks as if she's about to take a shower. It would be easier if she'd just take her clothes off, but it's obvious that Bozena is a horny girl.

She's fondling her big tits under the top of her dress before she finally pulls them out and starts licking and sucking her nipples. She starts to get Continued on page 42

You guys thinking the same thing we are? Kitty has big boobs that crave a cum drenching and an ass that needs to get pile-drivin'? A good visual, indeed. And even though Kitty is your typical lady-next-door and is very soft-spoken, when you get her talking about sex, her inner animal cums out. Kitty told us that she wants to do porn and lots of it! With her bod, how could we turn Kitty down? After her first *Voluptuous* pictorial, Kitty came back for more and, holy hard-ons, boob-men, did she ever get it. In fact, as your crusty, old editor is typing what you're reading, this fresh-boobed babe is getting pounded in our studio. The thing is, our studio is sound-proof, and there's this damned wall between us and the action. But, we can still hear this lady screaming in orgasm. If we've said it once, we can say it a million more times...Is this a great job or what?

#### **TITTERS IN TOYLAND**

Continued from page 33

into her personal massage, tweaking the nipples with her fingers and moving one hand down to brush against her bush.

When the top half of her dress comes off, Bozena really starts to get into it. She's cupping her tits and getting off playing with the nipples. She lifts one to her mouth and sucks on it before running her tongue around the areola. By now, her right hand is working her pussy, making it moist.

Fortunately, Bozena is in the bathroom so there's a bottle of lotion nearby. She squeezes a liberal amount on her fun bags and makes sure that every inch gets covered. There's a lesson there. Tit flesh can never be too soft. Remember that one, ladies. Learn from Bozena.

Sitting on the edge of the tub, Bozena starts her all-out attack on her clit. She rubs and fingers herself and her moaning increases in frequency and volume. Two things are clear: She knows what she's doing, and she likes it. Bozena slides her middle finger up her hole and starts to frig herself as she plays with a nipple. Soon, Bozena is building toward orgasm.

Her right hand never stops circling by her clit until she starts to use a more side-to-side motion later on. We told you, she knows what she's doing. Bozena then grabs what looks like baby oil and again coats her massive mammaries. She proceeds to massage and manipulate her breasts before moving at least one hand to her pussy. Fortunately, at this point she finds a red dildo. Ignore the fact that she's lying on the bathroom floor and her head is right by the toilet and focus on her heaving tits as Bozena plunges that toy into her sopping gash. Her screams of ecstasy will have your bone rock-hard before she's done.

Bozena winds up sitting and rocking back and forth as the red dildo invades her most intimate of areas. She then has her tits pressed against the smooth tile as she bucks her hips up and down to try to get one more inch of the dildo into her soaking wet box. This is one determined, horny woman. She finally reaches orgasm. As Bozena lies on the floor, exhausted, you'll be tempted to join her.

#### **DEJA**

The first thing Deja does is remind viewers of her appearances in *Voluptuous*, as if we could ever forget.

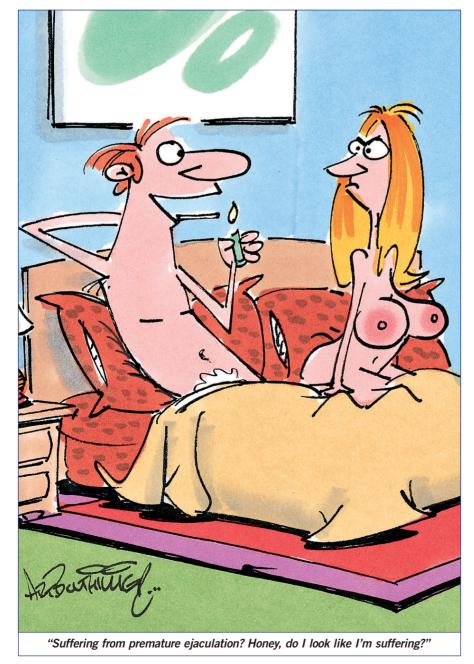

When Deja discusses her assets, she fondles her massive breasts and then mentions her "big, big, big ass." She doesn't do herself justice. Deja is big all over, which makes us glad all over.

Deja starts off by getting on all fours and letting her monster tits hang down. It wouldn't come as a surprise to find out that she had knocked out a man or two in her life while riding his cock. She also shows off some impressive breast control, making her ta-tas dance on her chest. Now, that's some heavy lifting.

Size becomes a theme here. Everything on Deja is supersized. Her areolas are enormous—large dark chocolate brown ovals that circle a pair of meaty and suckable nipples. When she gets on all fours and starts rocking her ass back and forth, you can see just how much junk is in her trunk.

Speaking of big, Deja brags that she has "a big, fat, juicy pussy." She later shows us how true that is when she stretches her labia to unbelievable proportions. Yes, big labia, too. She also has big lips—the dick-sucking kind— but those are covered in tasteful, red lipstick that would no doubt cover your knob if you were ever fortunate enough to gain her favor.

Now, This Lady Has Got Some Hangers!

One look at Samantha's face and you know that she's the type of gal who would fuck you senseless, then nail your best friend while you watched. When you look at her body, you wish she would. This lady is packing—in tits, ass and, of course, that super floppy pussy. You wanna talk about a salt-water-taffy pussy! Don't believe us? Start turning some pages!

With a third place finish in the 2005 Newcomer of the Year contest, a slew of videos (including hardcore), plus several *Voluptuous* appearances on her resume, no newcomer in recent memory has done so much in so little time. Why the urgency? Samantha has a simple answer. "I'm just a dirty girl!" We ask you: What's not to love?

# JADE

### This Voluptuous favorite means business!

Feel free to join Jade on the potty, boys, though we doubt you'll be doing what she's doing. You see, Jade is reminiscing about days long gone, and sometimes forgotten, when she was a part of Europe's big-boob renaissance. Linsey, Lorna, Annette, Kerry, Jenny, Jessica...Some of those pioneers have retired, whereas others have become even more legendary. And Jade was right there, *On Location Portugal* and in every boob lover's bathroom. She was one of the pack back then. But now, Jade is one of a kind.

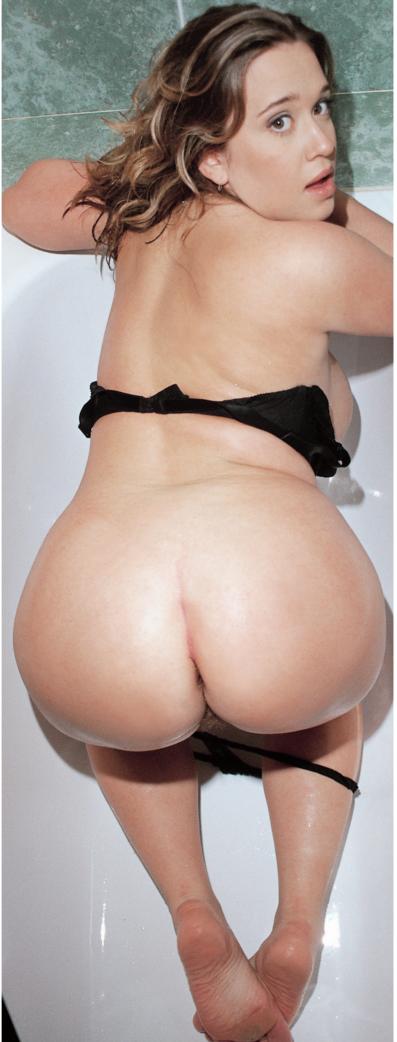

An English college student when she debuted as the May '98 *Voluptuous* covergirl, Jade had a good modeling career. She appeared in *Voluptuous* four times, was in the best-selling *On Location Portugal* video and was widely regarded as a top-flight model bordering on the cusp of greatness. Unfortunately for Jade, Busty Brits like Linsey, Lorna and Kerry garnered all the headlines in the late '90s. But Jade didn't care. She wasn't posing for greatness. Jade just wanted to have a good time. And she did, taking us all along for the enjoyable ride.

Continued from page 52

real woman with real tits and an enticing tuft of hair on her pussy any day.

After a few months of subtly trying to get into her pants through innuendo and not-so subtle flirtation, I finally persuaded her to have a discreet meeting with me down at a private beach.

It was early in the morning, so not too many people were out and about as she pulled up in her car and parked next to mine in the parking lot. As she got out of the car, I noticed she was wearing a short, tan skirt and a flower print blouse that really showed her figure off nicely as the material fluttered in the morning breeze.

She got into my car, and we talked for a while. I could sense that she was a bit nervous about having privacy, but after a few minutes of "making out" as she calls it—she says it makes her feel 14 again—she started to loosen up, and I could see that look in her eyes that told me she was interested—very interested.

This woman loves to kiss, and I love to make out with her. Soft, gentle nips, deep-probing tongue kisses, sucking lips and tongue into our mouths—even desperate, hair-grabbing kisses. She likes to have me explore her shoulders, neck and ears with my tongue, too, judging by the moans that were coming out of her throat.

I worked up the nerve to take it a step further, so I reached down and unbuttoned the top of her blouse. Then, with the tip of my finger, I traced my way down inside her top until I found a lovely, black satin bra. I massaged it softly with my hand and fingers, feeling her nipple harden under my touch. It was huge—much larger than I remembered. She closed her eyes and started to breathe heavily, so I put my hand inside the cup and felt the skin of her breast on me. She sighed as I traced around her sensitive nipple with my fingers. Yes, I think she really liked that.

To her slight objections, I managed to pull her tits free so that they hung over the cup of her bra and out the front of her blouse. I leaned down and took one of her nipples in my mouth. She liked that, too. I could feel her arch her back as she pushed her breast against me, urging it farther into my mouth. Her hands held my head close to her.

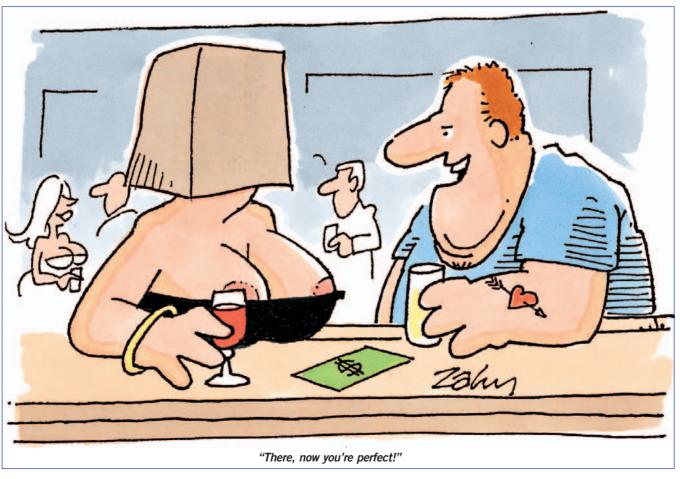

It spooked her a little when some

early morning walkers came near, but I'm sure a part of her also loved the chance of getting caught. Even though she'd never admit that it added some excitement to what we were doing, it was pretty obvious she was as turned-on as I was, perhaps even more.

I reluctantly lifted her tits back into the bra and buttoned her blouse again. We kissed some more, and I asked her to touch me. Through my jeans, she ran her hand over my rock hard cock. I know she could feel how turned-on I was. She massaged it, moving around to touch and rub it in different places, even reaching down and softly massaging my balls through the material.

When I could stand it no more, I unzipped the fly of my jeans. I somewhat sheepishly asked her if she would suck on my cock. She gave me a devilish grin. She leaned down, licked off a huge drop of pre-cum from the head of my cock, came back up to French-kiss me and said, "Yes." Then, with a moan of pleasure, she lowered her head into my lap and took my cock between her lush, beautiful lips.

Let me tell you. It had been years since someone had given me this kind Continued on page 81

### Betcha never saw this in a Macy's ad!

For those of you who are seeing Chaka T. for the first time, can ya guess what that whole Macy's thing is all about? No, she doesn't work customer service, though she does buy her bras there, as well she should when you consider Chaka T. used to model the D- and E-cup ones for their newspaper ads. We shit you not. All those ads you used to jack off to when you were younger and before you found *Voluptuous* had Chaka T. in them, though you gotta admit, the photography is much better when we do it!

Chaka T. was a mature woman when she first appeared in *Voluptuous* back in July '02, which only added to her appeal. What can we say? Guys like mature women, especially when they have the body of a 20-year-old. Check that, not many 20-somethings have a body like Chaka T.! Her boobs are in the H-cup class, and not only are they big, but they're so full and perfectly shaped, damn, maybe we should have included Chaka T. in The Clash of the Titans, she's that outstanding.

Okay, we have an apology to make. For some asinine reason it has been over two years since Chaka T. last appeared in *Voluptuous*. Break out the blindfold because somebody oughta be shot! Her boobs are perfect and her ass is...well...perfect! Somehow, Miss T. fell through the cracks, in spite of how luscious hers looks, and you wanna know the cruelest thing? When we decided to show off Chaka T. in this issue, we did our research. We looked at old pictorials and watched her fuck on video. That's when we decided that somebody oughta be shot! This lady is a grade-A, first-class piece of poontang with a rack that jiggles like Jello during the old in-out-in-out. Trust us, ramming-speed with Chaka T. truly is a sight to behold. So, our apologies to all of you and a promise. This isn't the last you've seen of Chaka T.—not by a long-shot.

#### TITTERS IN TOYLAND

Continued from page 42

Our cameraman is lucky enough to get a couple of feels of Deja's cans. He later helps out by squirting a copious amount of lotion on her rack. Deja responds by massaging it into her enormous hooters, which is clearly making her juices flow.

Out of nowhere, in what has to be one of the most incredible feats ever performed by a *Voluptuous* woman, Deja then does a split on the bed. Granted, it's one of those cheerleader splits, where her legs are scissored, rather than just spread wide, but this was amazing to see.

Deja proceeds to cover her entire ass in lotion. The production staff had to go out and get a new bottle after that. It was a lot of lotion. She then pulls out her "friend" which is a dildo. Naturally, it is extremely big. Deja proceeds to bury the toy between her tits, practically making a 12-inch dildo vanish. It was like watching a hot version of David Copperfield.

Deja climbs on top her of her large friend and rides it hard until she climaxes. And, yes, the climax is also very big. She stays on the bed, lying with her legs spread wide, telling you how good it felt. When her pussy finally allows it, Deja gives us a wave and heads for the shower, where, no doubt, a giant loofa awaits.

#### **SAMANTHA KAY**

Samantha is Curly's type of woman. As has been stated here in the past, a no-nonsense kind of girl is our favorite. Samantha is just that. As soon as the camera starts to roll, Samantha tells us that she has DD boobs and a bottle of lotion. She then points out that she's wearing a red bodysuit and wonders what kind of fun we can have. With that combination, a good time will be had by all.

After whipping out her breasts, Samantha proceeds to stretch them like her hamstrings, before drowning them in lotion. It gets so sloppy that it looks like she has put cake frosting on them. If you enjoy sloppy sex, you'll love Samantha.

Before she has even rubbed all of the lotion in, she gives her floppy boobs another Peter North-sized shot of goo. She uses that stuff like my

uncle used to use lighter fluid before he'd throw the match and singe his eyebrows. Samantha is building a fire of a different kind.

She holds up her breasts, displaying them like the trophies they are before slapping them together and playing with them. Samantha knows that tits were meant to play with and have fun with. Her only negative is the lotion fascination, although that's a matter of taste. Again, if you like your girls messy, you'll jack a load across the room with Sam.

The lotion flies everywhere after she douses herself a fourth and fifth time and then starts slapping her breasts. We can only assume the cameraman got combat pay. "I'm making such a mess it's almost on you," Samantha says.

When Samantha finally starts to play with her pussy, there's no doubt that she'll be able to slide a finger in. Heck, she could probably slide her whole arm in with all of that lotion covering her body. It's a miracle she doesn't slide right off the bed.

But Sam is having fun. She has a huge smile on her face as she spells out S-L-U-T in the lotion on her right boob. Samantha grabs a big dildo and crams it into her cunt. She goes to work on herself, fucking her pussy as hard as she can. Samantha spreads wide and slams the dildo into her horny hole, power-fucking herself until she's out of breath. Her moans are loud and almost constant as she explodes into an orgasm.

#### **MARIA MOORE**

Maria has a look like one of those starlets from the '50s. Her hair is long and tousled, her eyes are sultry, and her lips are bright crimson.

Of course, the comparisons stop there. No one from the '50s had tits like Maria. And no one from the '50s would have asked publicly for you to suck her nipples through her bra. Maria asks a silly question—"Do you like my big tits?" The answer is always "Yes" baby. She then proceeds to show us how her tits would bounce while we fuck her, a clear step up from the previous question.

You can't help but notice that Maria talks a good game. She offers a nonstop narration of what she wants you to do to her and what you might want to do to her. She does all of this while

massaging her big'uns and showing off some of the biggest areolae you'll want to cum all over.

Maria gets on all fours and starts rocking back and forth as if she's getting nailed. As she does this, her tits smack together and create an unmistakable smacking noise. As she rocks back and forth, the bed squeaks loudly. That stops as she stops rocking.

A bottle of baby oil happens to be nearby, and Maria splatters a liberal dose all over her huge hooters. She massages her big bazookas and then explicitly describes what tit-fucking her would be like. By now, Maria is coated in oil, but is still able to cup her left tit with both hands and suck on her massive nipples

Suddenly, a big dildo appears, and Maria tongues the head before popping it in her mouth.

"I love sucking a nice, hard cock," she tells us as she does just that on the inanimate rod. "I wish you were here so I could suck yours."

Her sultry, X-rated commentary continues, even as she realizes just how much her mountainous tit-flesh is overwhelming the dildo.

From there, Maria moves the plastic pole south and slides it into her hairless snatch. She lies back on her red satin sheets and commences ramming that bone into her moist muff. Maria takes it up a notch when she spreads her legs wide and really starts cramming that plastic dick as far up her cunt as she can get it.

After telling us several times about how good it feels, Maria starts to buck around frantically, and her sultry moans become louder. When Maria finally reaches orgasm, it's a sight to behold. Her moans seem to originate in her toes, and she tosses the dildo away, opting for her reliable fingers to finish the job.

#### **SUNSHINE**

Sunshine is very accommodating. After she puts out her cigarette, Sunshine offers to dance for us. She's wearing a blue bra that can barely contain her chest. A simple shake from side to side unleashes her veiny, pillowy fun bags.

Sunshine makes us feel warm all over as she makes her nipples rise when she sucks on them. You can see the lipstick marks she leaves on her areolae as she sucks hard on her nips.

She also has a big surprise. When Sunshine lowers her blue thong, she reveals a dark and hairy bush. It may still be winter, but we weren't expecting to see any winter bush. The dark hair was even more of a surprise because of Sunshine's blonde locks. The forest is trimmed, but just enough to give it shape.

Sunshine revels in her hairiness before grabbing a large vibrator and working it between her jugs. The veins are like a roadmap, criss-crossing Sunshine's ample cleavage. She wraps her gifts around the tool and gives it an enthusiastic fucking.

Then Sunshine opens her waiting gash, showing off one of the larger pussies your man Curly has ever seen and we might as well have a gynecologist's degree hanging off the wall. Sunshine rises into a sitting position and thrusts her new best friend deep into that hairy slit.

Soon after, she's enthusiastically riding it and telling you to jerk your cock. Sunshine spends a good amount of time just riding and moaning quite loudly before screaming for the neighbors to hear as she orgasms. After that came a nice bit of cooperation as Sunshine continues to bounce her tits around and exalts us to shoot our loads. It worked like a charm.

Sunshine's furry bush gets a workout in the new *Voluptuous* video *Titters In Toyland*.

#### X-RATED FILES

Continued from page 60

of treatment, and my cock was harder and more sensitive than I can ever remember it being. The deeper she plunged her lips around my shaft, the more strained I got. I felt like I was going to burst out of my skin. I ran my hand down over her ass. It was big, but incredibly curvy, and she sighed a little as I felt her through her dress. She took me deep into her mouth, with a little moan each time she came up. Slowly, she savored me. I don't know if I can even explain the sensations, but I do know it looked incredibly sexy seeing her pretty face bobbing up and down in my lap through her mop of red hair!

She sat up and kissed me again for a few minutes while she continued to stroke my cock with her hand. I could see lust and desire in her eyes as we looked at each other. I also saw the confidence of a sexy woman who knew she was in absolute control of the situation.

She glanced at her watch and said she needed to be getting to work. Feeling a little guilty, I asked her if she would make me cum. She asked me if that was what I wanted. I nodded my head, a bit embarrassed, and she smiled again and said, "Mmmm, of course."

With that she attacked my cock with even more enthusiasm and passion. As she leaned over me, I reached down the back of her skirt with my hand and slipped it under her panties. I found the cute dimple at the top of her ass that I remembered from so many years ago, and I used my fingers to explore it, which caused her to moan softly.

I was so incredibly turned-on. Using her hand and lips, she milked my cock. She must have sensed how close I was, because I could feel her pace increase, and she sexily urged me to cum in her mouth. Wow! How is a guy supposed to refuse an offer like that? So, I did. I must have cum a ton, judging by the amount of sucking she had to do.

But, I wasn't through, not by a long shot. I don't know how, but I was so turned on that my cock became instantly hard again. I was ready for more. So, I took my hard cock in my hand and pumped it for a few more seconds, urging her lips down so they just touched the head. The second orgasm was even more powerful than the first. She let out a gasp of surprise when I came in her

mouth again. That orgasm seemed to stretch out forever, and it was wonderful. I probably could have cum again, but I didn't want to get greedy on her.

She sat up and straightened herself out. She looked at her watch and said that she had to go. I really didn't want her to leave, but I knew that she was already running late for work. What she did next left me speechless.

She hiked her skirt up around her waist and slid this delicious pair of mint-green cotton panties off. With a twinkle in her eye, she held them out and said she wanted to leave them with me. Let me tell you, at that moment my heart was pounding so hard, I can't believe I didn't go into cardiac arrest.

I caught a glimpse of her bush between her legs, and tried desperately to touch her, but she said that she didn't feel comfortable doing "it" in the car. And with that, she got out of my car, hopped into her own and drove off.

At least attempting to be a gentleman, I held off inspecting her panties until she was no longer in sight. I must have been quite a sight that morning, driving down the freeway while sniffing her panties. In the crotch was a wonderful, still-warm wet-spot, a wetspot she made just for me while we were kissing, fondling and sucking.

So now, here I sit at work, a huge smile on my face, a hard cock and a pair of my (hopefully) soon-to-be-lover's panties in my hand. There's a big stain in the gusset of the material, and if I smell them, yes, they still smell like her. It turns me on to no end. I wonder how she'd feel if I told her I'd been fighting the urge all day to jack off right there at my desk while smelling her panties.

So, now what do I do? I need more. I want so badly to undress her in my office, to have her sit on my desk in front of me and finger herself while I watch and lap her pussy with my tongue. I want to unbutton her blouse and see her gigantic tits. I want to take pictures of her and maybe some day she'll let me, and more importantly, let me send them in for you to publish! I want her to straddle me in my office chair. I want her to lower herself onto my cock and slowly fuck me. Even more, I want to fuck her doggie-style so hard that she explodes in pleasure. I want to lick my cum out of her wet pussy when we're done.

I want so much. I'll certainly let you know if I get it.—B.J., Washington

## LUMA

#### **Brazil's #1 Busty Bombshell**

If there was any doubt about that title when Luma debuted in the Sept. '04 *Voluptuous,* there isn't any now. Simply put, this curvaceous, busty Brazilian is the best that country has to offer. The only thing left for debate is whether Luma is the best Brazilian of all-time.

#### **BARE** FACTS **LUMA**

Age: 24

Birthday: April 19, 1981

Height: 5'6"

Weight: 145 lbs.

Measurements: 44-28-38

Bra Size: 36E

Born, Raised and Lives: Rio de Janeiro, Brazil

Occupation: Tour guide hostess and dog breeder

Favorite Night Club: Hipopotomus

Previous Voluptuousappearances:

Dec. '05, April '05, Holiday '04 (2004 Newcomer of the Year contest), Sept. '04 (debut pictorial)

Surprisingly, for a country of such erotic myth and lust of lore, there really haven't been that many Brazilian naturals who even come close to Luma. Mid-'90s Voluptuous babe Rio Rivers had a similar body, but Luma's tits and curves are so much greater, it isn't even close. Vanessa Del Rio was augmented (and later admitted she was from Puerto Rico anyway), so who's left? Sylvia Panda. Now, Sylvia was a great one and a loyal Voluptuous/SCORE model. Still, Luma just oozes sensuality. Even when she's not trying to be sexy, this is a bonerfide babe and, with all due respect to Sylvia, Luma is the greatest Brazilian of all-time.

# SPLENDOR IN THE ASS

## Ecstasy to these busty babes is a big, hard cock way the fuck up there!

Can anybody guess what this special pictorial is all about? Anal that kicks ass starring the *Voluptuous*-girls! There's Marketa to the left-all bitched up and butt-stuffed! And, if there's a dusky dick-sucker who digs white dick deep in her bung-hole more than Sierra (above), we haven't seen her. The close-up shot to our right belongs to Orsolya, who takes it up her backdoor cowgirl or reverse-cowgirl. It doesn't matter to her, so long as it's going in balls-deep. Why? Because Orsolya knows that there's fucking and then there's assfucking. There really is no substitute!

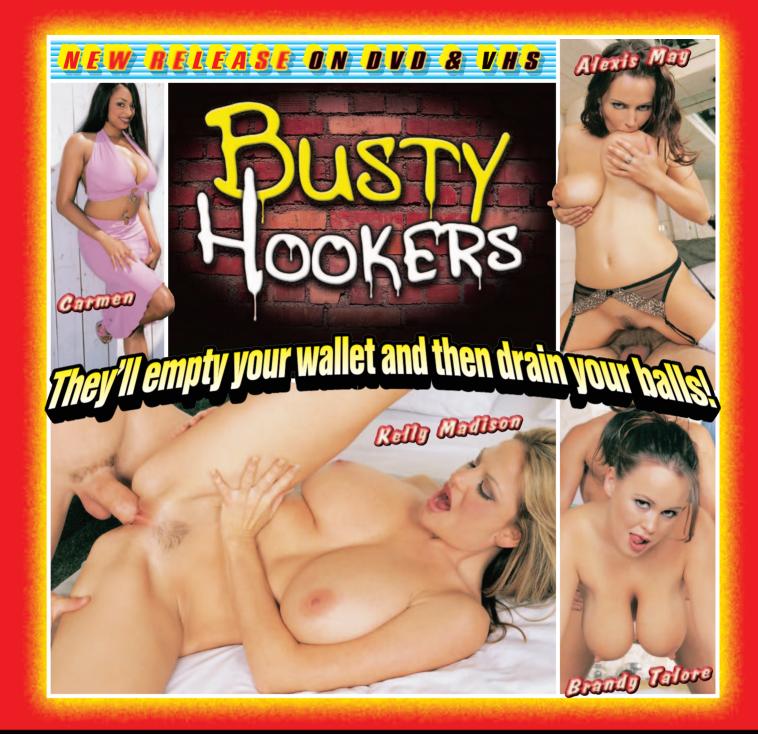

Now, a lot of ladies lay claim to being the best ass-fucker around. Aspen (right) and Cherry (bottom) get us cumming in seconds the moment a dick even goes near their assholes, they're that good at it. And Jo (opposite page, bottom), hell, she's all preggers and she's still getting her rosebud pounded! Now, that's dedication! However, if you've seen Busty Euro Maids, you know where we're going with this. Nobody, butt nobody, can take a pounding in her ass hotter than young Iva, who isn't strictly an anal kind of gal. No, Iva is the eclectic type-she digs manpole in all of her holes, preferably all at the same time. You know what? We need a million more women just like her!
